Julie White

Well its about time I finally sign your year book after having for about 50 years. I hope we stay friends for a long time. Remember all the fun ~~times~~ times we had. Remember Jr.-sr. when I begged Dick Eagleton to buy a jug. What a Pain! Then we didn't drink. I all, I still have it in the refrigerator at home. It must be about 50 years old, but still taste the same. Well ~~good~~ good luck in the future and with Alvin (Gervin). I'm sure Gervin and I will make it. I think? Don't change stay the way you are. There ain't another one like you and Alvin wouldn't like it if you changed. Just keep in touch after we graduate. Even though I won't be living in the U.S. Julie it looks like we finally made it through those whole, weird seniors! Well, Bubbs class is almost over, so we'll say good-bye.

Julie White, (Bubbecks)

I hope that we can stay friends for a long time to come. Lets always try to remember the good things that have happened to us. Remember the time we went to town and we went down O'street and that man in that car pulled out in front of me and then you called him a ---- yld. Well or the time we went to Kings with Alan + Jim boy that was really fun. And by all means we can't forget going down O'street and getting chased by that Capri and those guys were really ugly. And the yellow Volkswagen with the weed horn. I guess I better shut-up now or I'm going to bore you more than I already have. So Good-luck with all the guys and in the future years. Stay as sweet as you are always.

Love your friend always

Seniors generate new era of enthusiasm

A new generation of class unity, spirit, and pride was felt and displayed by the seniors of 1975.

As a whole, seniors attended and participated in student activities in and outside of school. Whether it be sports, scholastics or other activities, seniors enjoyed success, pleasure, and pride in their achievements.

On the surface seniors were wrapped up in school functions and personal problems throughout the year, but graduation and the future quickly crept upon them. But taking the class apart revealed each senior as an individual, entirely different from one another, each contemplating what lay ahead of them after graduation ceremonies.

Preparation for the future was stressed in Modern Problems, a class each senior was obligated to take for a full year. Occupations, economics, and government issues discussed in Modern Problems would be a harsh reality and only a small sample of what is to be expected after graduation.

Clockwise from above: Seniors had an opportunity to play diplomat at the Model United Nations and discuss issues such as the human environment and proliferation of nuclear weapons.

County Government Day highlights year

Clockwise: Juniors wait out halftime at one of the district basketball games.

Enthusiastic, spirited, talented and athletic only scratch the surface when describing the junior class. They actively participated in many activities such as County Government Day, volleyball, and others, to name a few.

County Government Day was one of the highlights of the year with 18 students attending. One of the purposes of the day was to help the students see how the government is run. Another accomplishment of the spirited juniors was the winning of both the hall and skit competition during Spirit Week.

Working in concession stand and selling key chains were some of the money making projects the juniors had to raise money for the Junior-Senior prom in May.

As the year came to a close, juniors realized the responsibilities they would soon be facing as seniors. Many held jobs outside of school while others used their new-found responsibility in club offices and as teacher assistants.

"Our spirits are high, they're higher than heaven, cos we're the class of '77", rang through the halls as the sophomores became the last class to complete junior and senior high school in the same building. The 110 sophomores soon found themselves absorbed in the high school curriculum, many joining Pep Club, Library Club, Math and Science Club, German Club, and many others.

Many of the sophomores joined the various athletic events in hopes of achieving recognition and varsity positions for their athletic ability. They distinguished themselves in sports with Brian Hohman attending the State Wrestling Tournament in February. In addition to clubs and sports, sophomores participated in other school activities such as Character Day, where they dressed as their favorite literary characters. They achieved scholastic recognition also with approximately 23% of the class on the Honor Roll each quarter.

In anticipation of their own Junior-Senior Prom (75-76), the sophomore class council decided to get an early start in raising money they would need. In January they raffled off ten movie tickets and on February 21, they held a bake sale at the Norris Basketball game.

Faculty.

Communication administration's main goal

One of the main goals for the administration was to improve the level of communication between the student body and the faculty. Achieving this goal meant getting both the student and teachers more involved in school activities and encouraging individual meetings between the two. The three main people behind this goal were Mr. Dale Siefkes, Superintendent of schools; Mr. Roger Rohlf, senior high principal and Mr. Robert Morris, assistant principal.

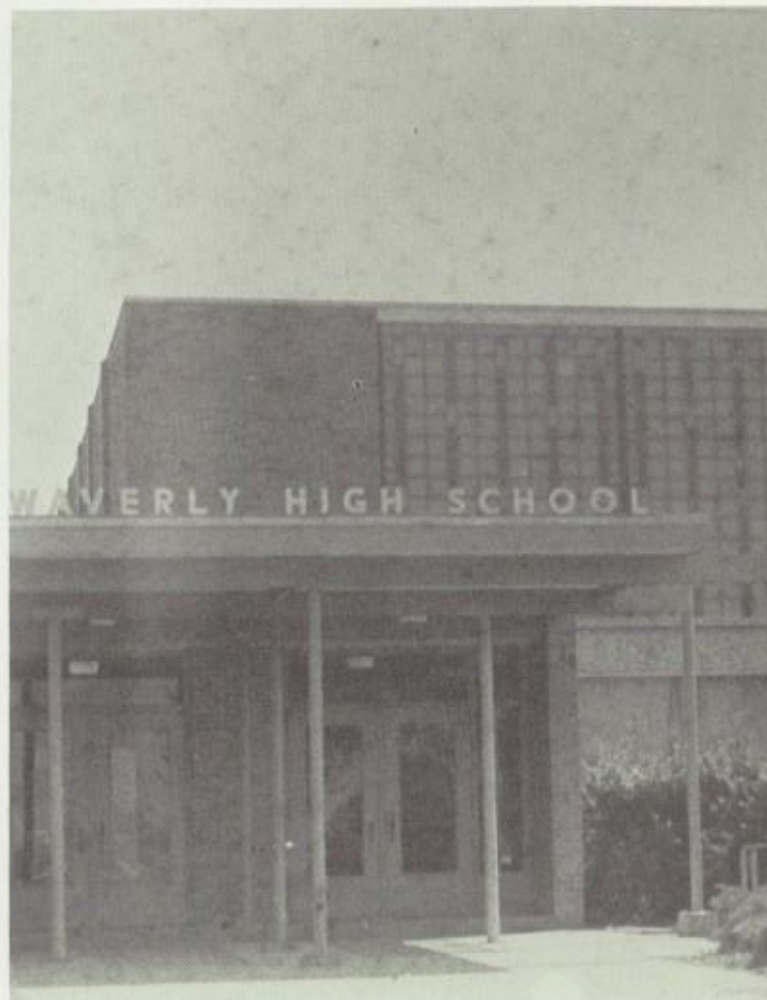

Clockwise from above: Dale Siefkes, B.S., M.S., University of Nebraska; Roger Rohlf, B.A., Wayne State, M.S., Specialist of Ed. University of Nebraska; Robert Morris, B.S., M.A., M. Secondary Administration.

Clockwise from left: The new elementary school solved the problem of overcrowding. With the elementary gone, the high school could better meet the students needs. School board members are: Mrs. Louise Ganz, Ervin Maahs (outgoing), Wayne Nielsen, Norman Swanson (outgoing), Dr. Eugene Brockmeyer, Mrs. Shirley Bevans, Clarence "Art" Althouse, and William Fahleson.

Major accomplishment school's dedication

Many people associate the school board with duties such as hiring teachers and suspending students. But school board members have responsibilities and obligations far beyond that. The quality of education, selection of administrators and faculty, and policy-making are a small example of the duties of the school board. The school board, headed by four men and two women had two meetings monthly, year round. Major accomplishments of the board were finishing details of the new elementary school and class restructures.

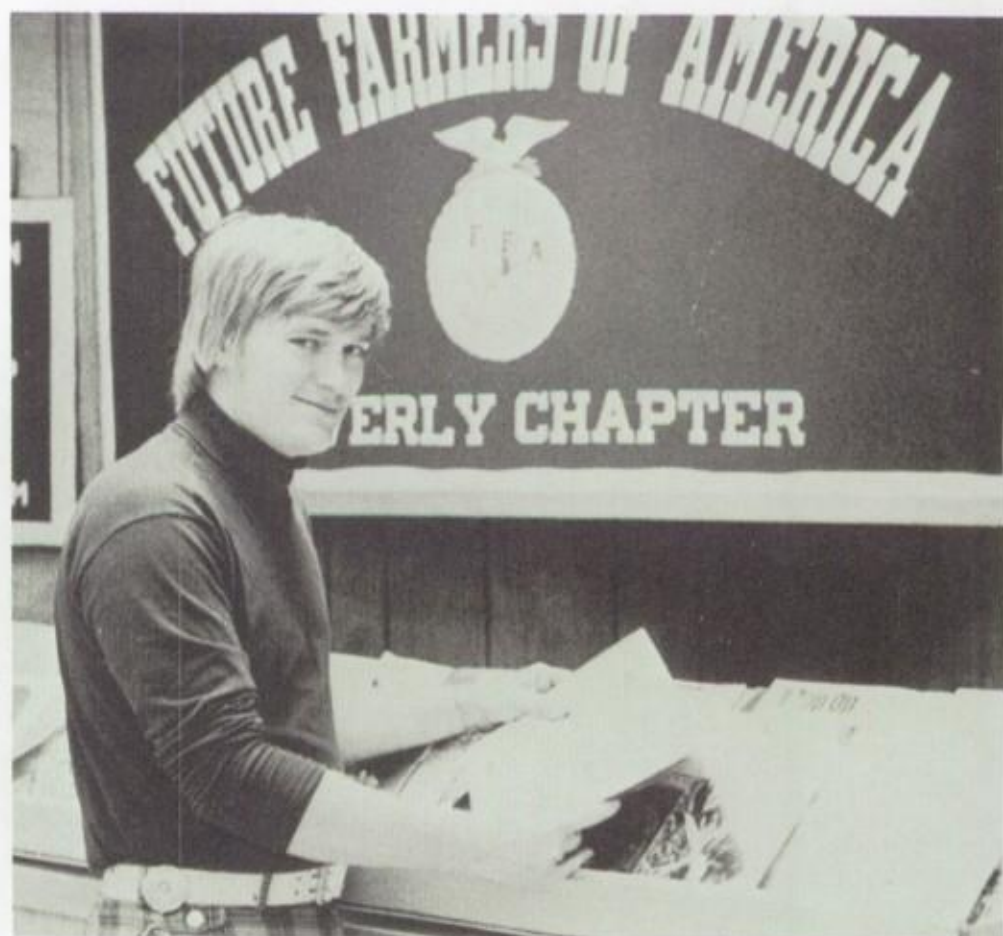

Students practice future occupational jobs

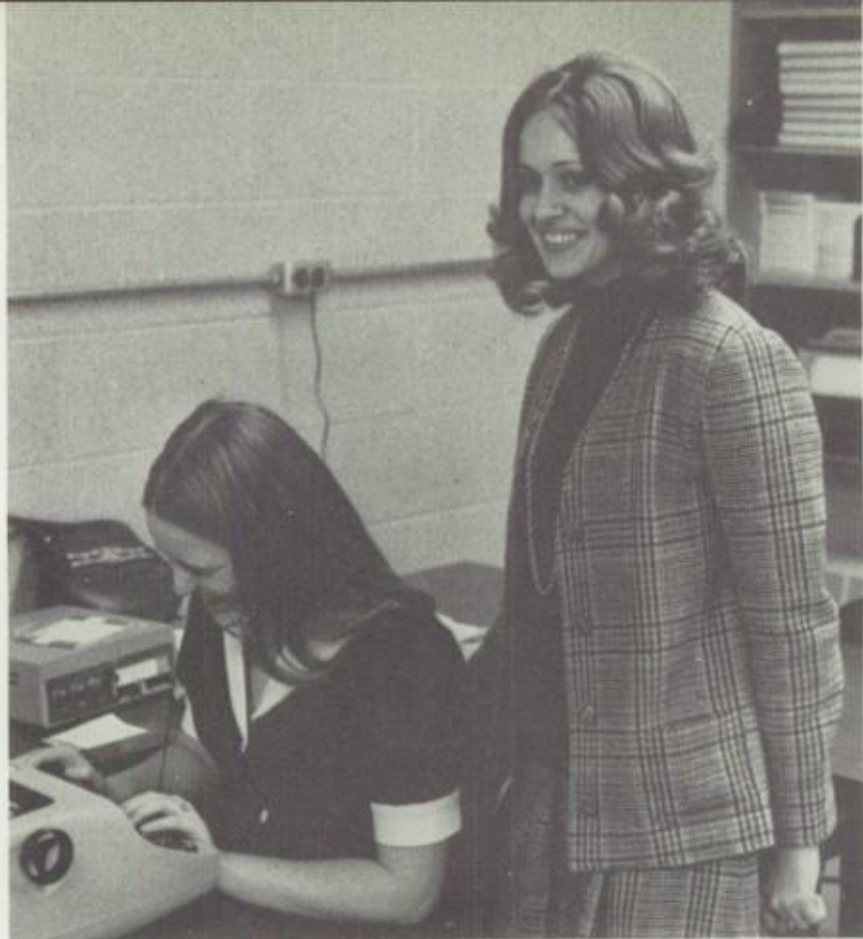

Many courses were offered in the vocational area to help prepare students for their future. Lyle Hermance had occupational education classes in which students actually had the chance to work on the job during school. Mrs. Carolyn Cook taught Home Ec. I and adult living. Verl Flack had the accounting and business principles classes. Lynn Kaufmann was the advanced auto, electricity and auto mechanics teacher. Mrs. Beverly Newton taught advanced typing classes and other business related classes. Mrs. Marion Lehigh had the advanced Home Ec. courses. Barry Pedley had the industrial arts classes and Leon Wissmann handled the agriculture classes.

Clockwise from above: Lyle Hermance, B.S., University of Nebraska; Mrs. Marion Lehigh, B.S., University of Nebraska; Leon Wissmann, B.S., University of Nebraska; Mrs. Carolyn Cook, B.A., Hastings College.

Verl Flack, B.A., Tarkio College; M.A.E., University of Nebraska.

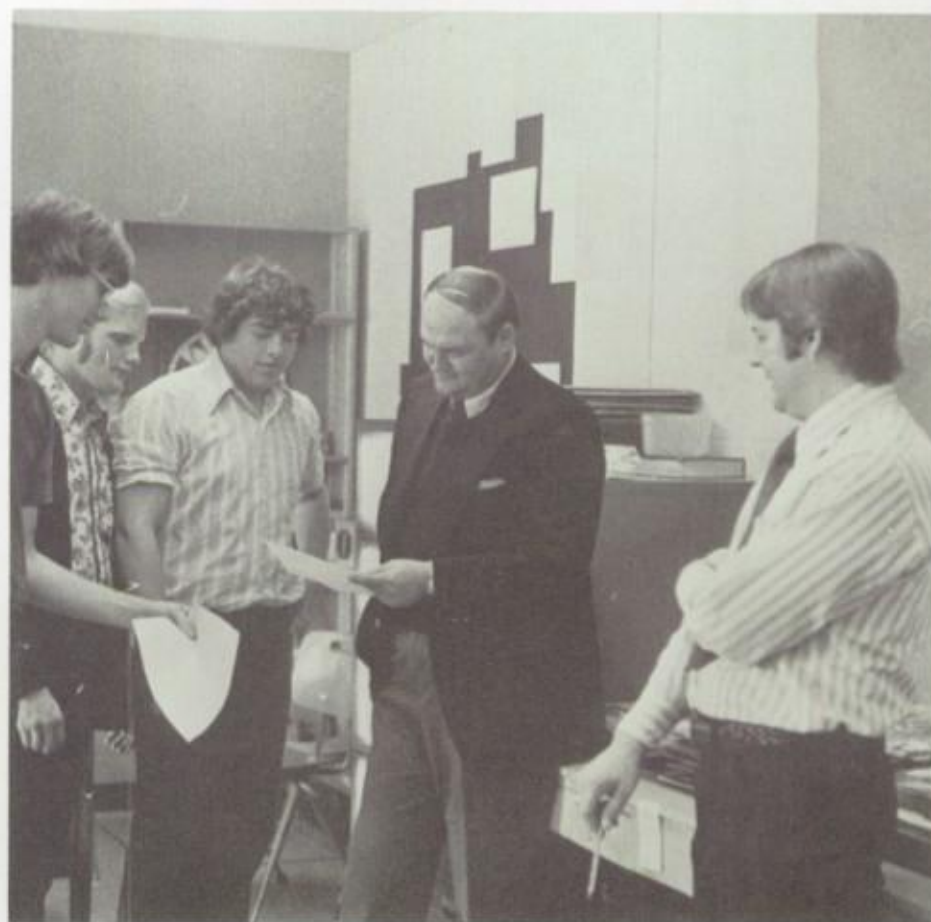

Yesterday's, today's issues contemplated

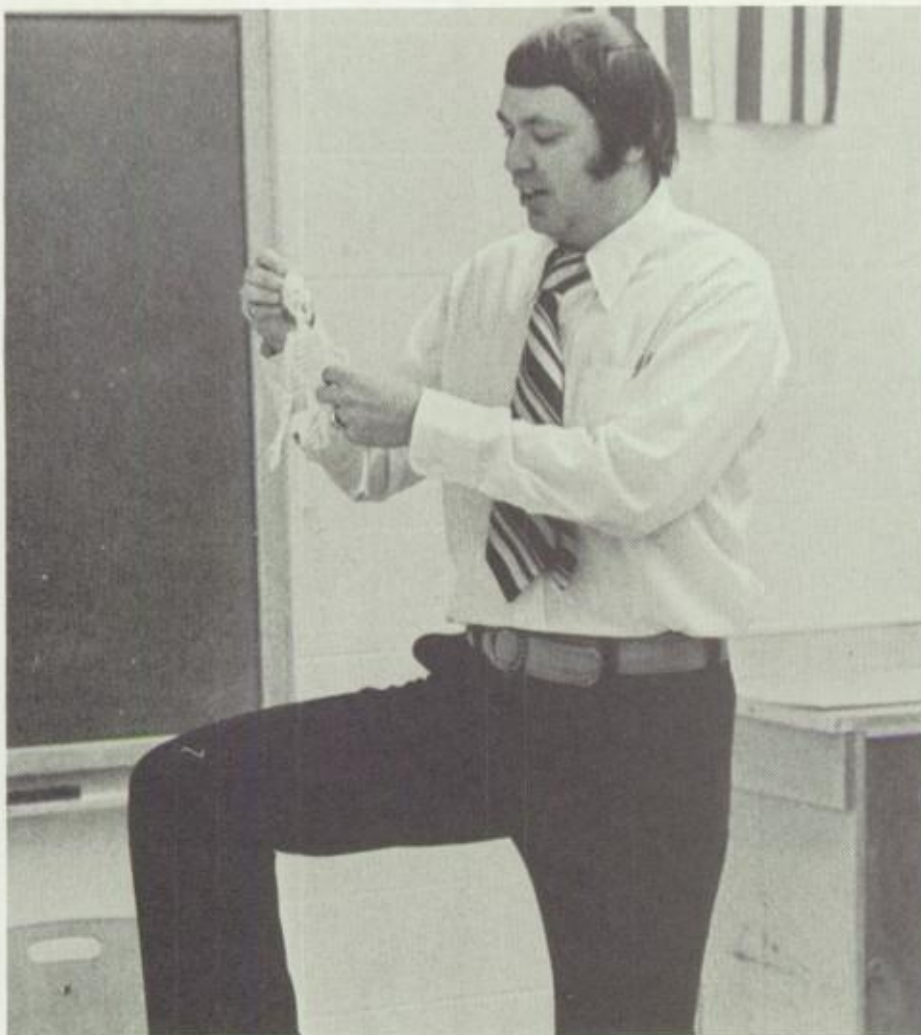

High school students learned of the problems of yesterday and today in their history and social studies courses. Modern Problems teacher, David Backes, was replaced at the end of first quarter by Rick Kolberg. Charles Eastham taught the fine points of American History. Scott Johnson joined the social science department by teaching sociology. Ron Seymour handled the American History classes.

Clockwise from left: Jim Christensen, B.S., University of South Dakota; Randy Marymee, B.S., John F. Kennedy College; Mrs. Jane Reed, B.A., University of Illinois, M.S.T. Wisconsin State University.

Science classes expand students interest

The Science department expanded its course offerings with zoology, the study of the animal kingdom, and botany, the study of plants, to the curriculum. Randy Marymee, who is new to Waverly, headed the two new classes besides teaching biology. Mrs. Jane Reeds' chemistry classes did some unusual experiments throughout the year. They included soapmaking and making candy canes. Mrs. Reed also taught a physics class. Jim Christensen taught health, physiology, and driver's education. His physiology classes dissected rabbits for their third quarter project.

Communication course added to schedule

Two new teachers, Mrs. Marilyn Miller and Mrs. Judy Schrader were added to the English department.

Mrs. Dru Toeppen and Mrs. Pat Schock together taught Modern Communications, a new class involving a combination of journalism and speech. Mrs. Schock also taught English, journalism, Hi-Spot and Viking. Miss Mary Gangwish had a busy year with an increase in the German class enrollment.

Character Day was sponsored for the second year. It included a book fair, special booths set up in the gym, students dressed as their favorite character, and a coffee house.

Clockwise: Mrs. Judy Schrader, B.A., Mount Marty College, M.A., Indiana University; Mrs. Marilyn Miller, B.A., Nebraska Wesleyan; Miss Mary Gangwish, B.A., Hastings College; Mrs. Dru Toeppen, B.A., University of Nebraska; Mrs. Pat Schock, B.A. University of Nebraska.

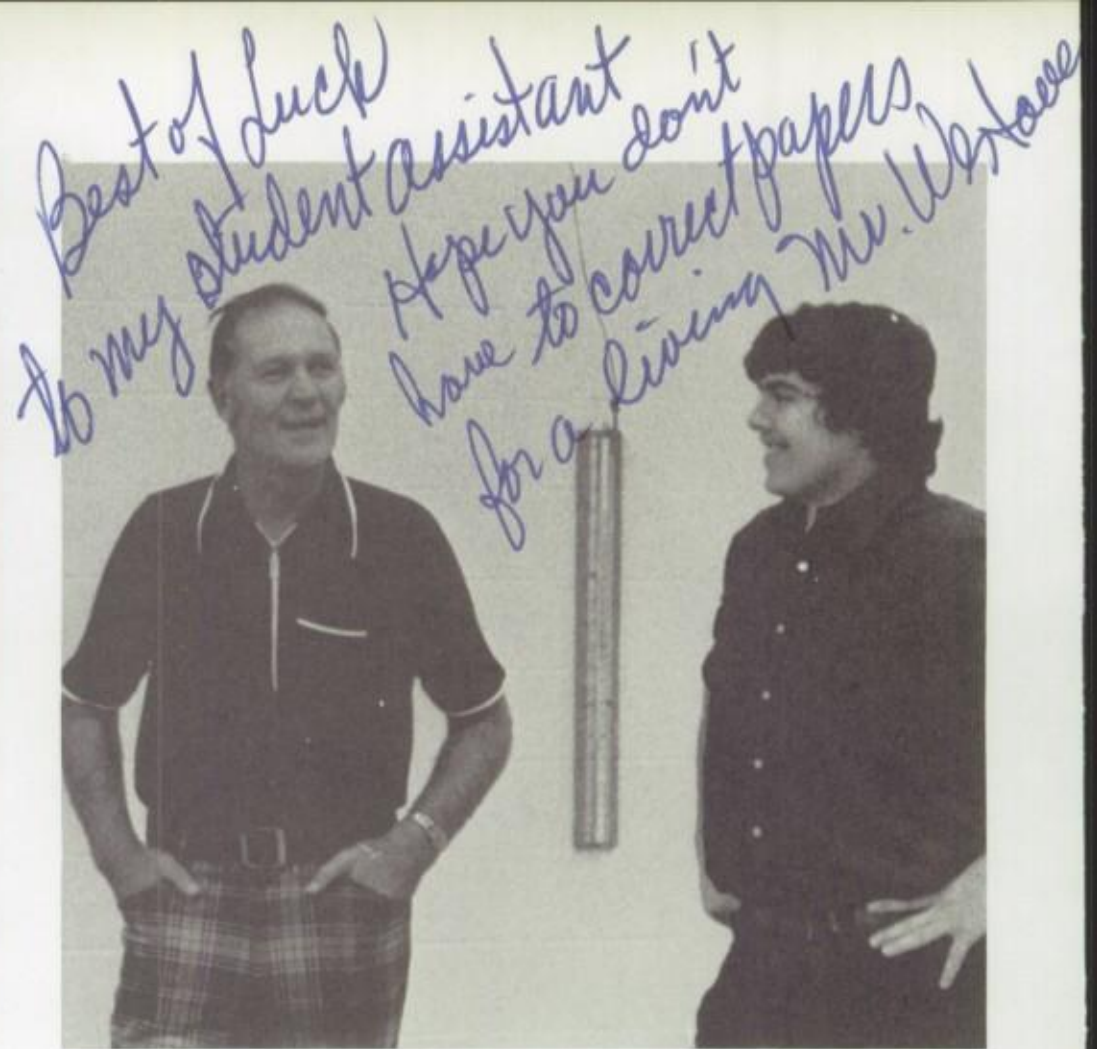

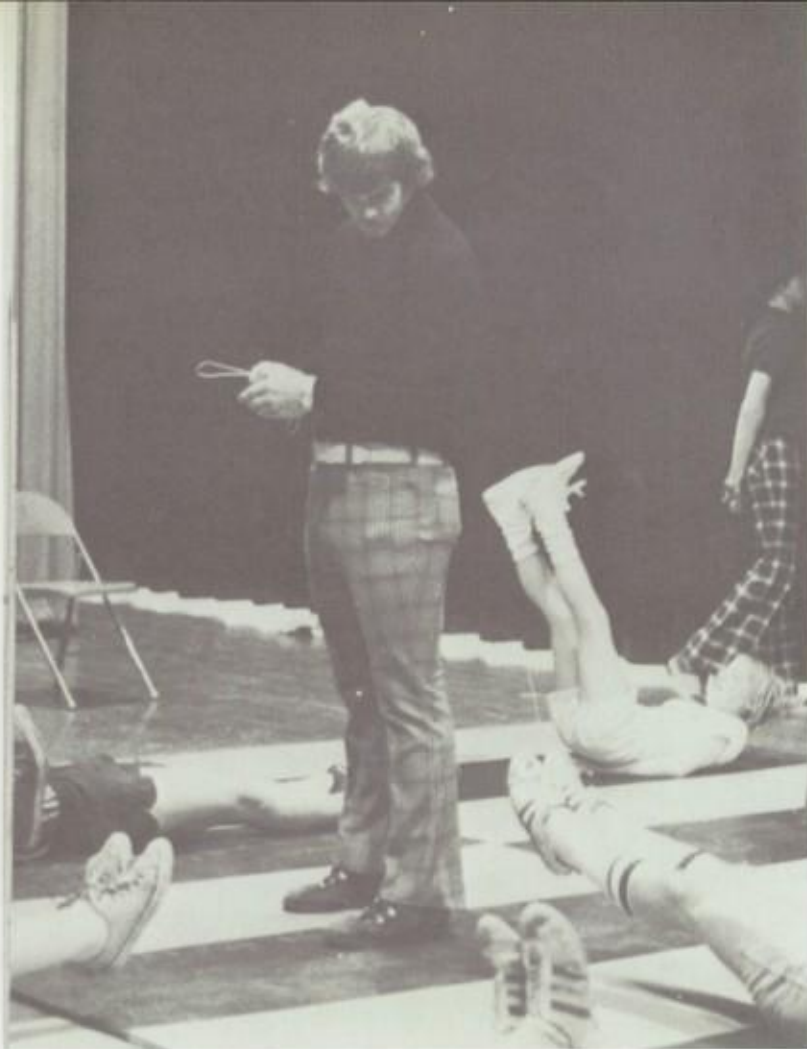

Junior high transfer allows library growth

Librarians Mrs. Bonnalyn Salomons and Mrs. Viola Polk worked hard to keep the library in order. Mrs. Marge Fritz assisted Mrs. Salomons and also taught second semester English. When the Junior High moved, a room was added to the library giving it additional .

Clockwise: When the new addition was added, the students' needs could be more efficiently met. Mrs. Bonnalyn Salomons, B.S., M.S., University of Nebraska; Mrs. Margie Fritz, B.A., M.E., University of Nebraska; Mrs. Viola Polk, Assistant librarian.

Curriculum variety backs up math basics

Many areas of math were offered at Waverly. Classes included were ranging from Math IV to Consumers Math.

Randy Wubbels replaced Richard Terry at the end of semester taking over his Algebra I, Algebra II and Math IV classes.

Bill Gannon was busy teaching Geometry, Math I and Consumers Math and Ray Westover rounded out the Math Department teaching Consumers Math and Basic Math.

Clockwise: Richard Terry, B.A., University of Nebraska; William Gannon, B.S., Kearney State College; Randal Wubbels, B.S., University of Nebraska; Ray Westover, B.A., Nebraska Wesleyan, M.A., University of Wyoming.

Sound body, mind makes perfect person

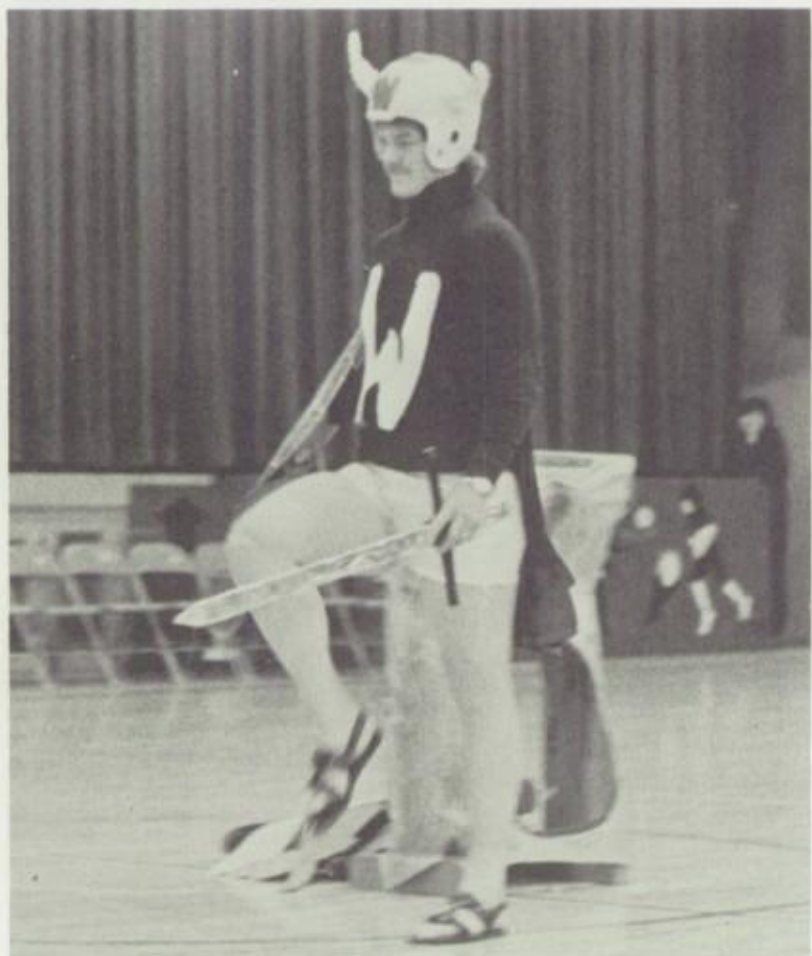

Randy Hash was assigned to various activities throughout the year. Besides being head football coach, his duties included teaching the co-ed p.e. class, which was a favorite among juniors and seniors, and boys' p.e. classes.

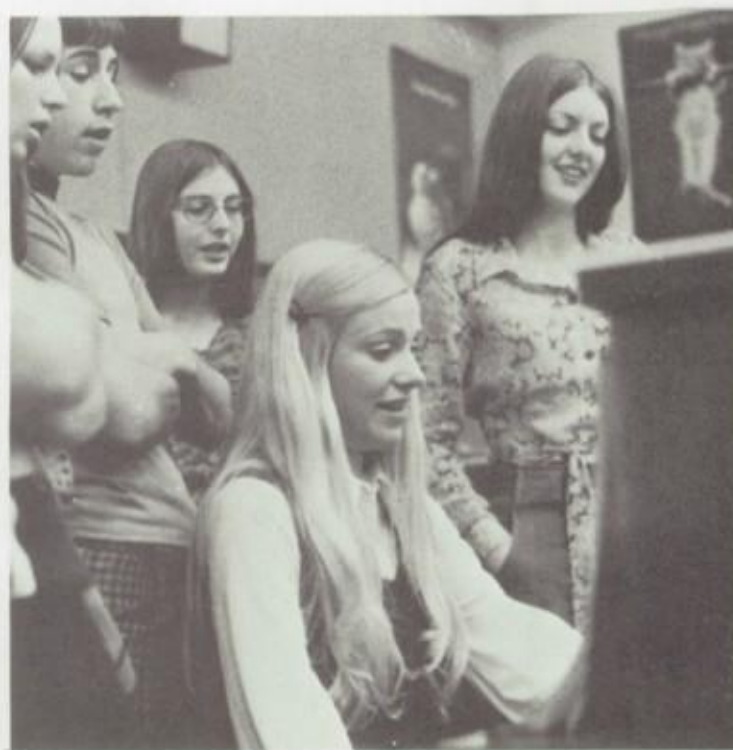

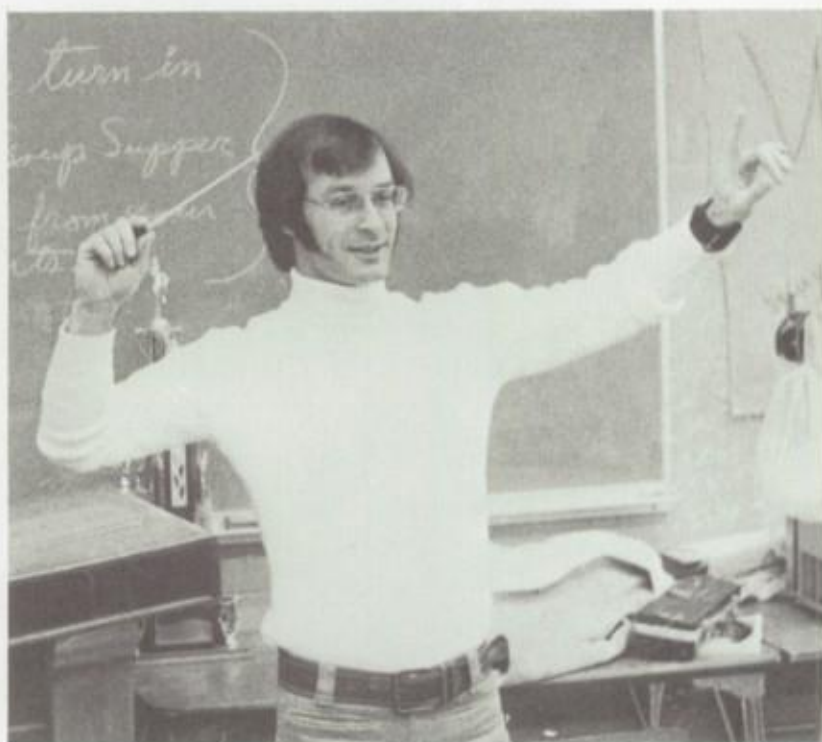

Mrs. Joyce Hansen had girls tenth grade p.e. classes. She was also assistant volleyball coach and head track coach.

Clockwise from above: Mrs. Joyce Hansen, B.S., University of Nebraska; Randy Wubbels, math teacher, proves he has other talents besides teaching. Randy Hash, B.S., Kearney State College, M.S., Kansas State College.

Waverly's Fine Arts area was unified this year by having the art shows and sales running concurrently with the choir and band concerts. Mrs. Evelyn Harris, art and humanities teacher, had the opportunity to expand senior high art.

The music department added to its personnel Mr. Ralph Weinstein assisting Mr. Bob Maag with band duties. Mrs. June Voss, choir director, Mr. Maag and Mr. Weinstein attended State Music Clinic with several outstanding musicians from choir and band.

Clockwise from below: Mrs. Jeanette Slusher, B.E., Dana College, M.A., University of Nebraska; Dr. Mary Lou Novak, B.S., Chadron State College, M.S., Chadron State College, Ed.D., University of Nebraska; Dave Erickson, B.S., University of Nebraska.

Counselors guide students through year

At the nucleus of Waverly are the counselors, Dave Erickson, special education counselor, whose duties also include part-time teaching, Dr. Mary Lou Novak, curriculum director, who organizes school materials to be taught in the classroom, and Mrs. Jeanette Slusher, senior high counselor, who had another busy year of solving problems, fixing schedules, and helping students sort ideas.

Staff gains efficiency through experience

The office staff, consisting of Sue Schlaphof, Audrey Johnson, Mabel Munn, Harriet Johnson and Shirley Bruhl, was kept busy with the students and the administration. Their jobs included keeping track of student absentees, answering the telephone, keeping district financial records, and running errands for the administration. They also helped with lunch tickets and worked on various things for the teachers.

Clockwise from above: Sue Schlaphof, typing clerk; Audrey Johnson, secretary of absentees; Mabel Munn, secretary; Harriet Johnson, secretary; Shirley Bruhl, secretary.

Supportive staff keeps school going smoothly

Working behind the scenes are the custodians, cooks, and bus drivers. The custodians were in charge of maintenance and upkeep of the school. Bill Gray was in charge of the nine man crew.

Feeding about 700 students and teachers is a demanding job for the cooks. Planning the meals, and ordering food were some of the many duties of head cook Grace Kalkwarf and seven cooks.

Icy roads, fog and snow were just a few hazards the bus drivers had while transporting students to and from school.

Take time to work—it is the price of success.
Take time to play—it is the secret of perpetual youth.

Sports

Vikings Capitol Conference co-champions

A touchdown run of two yards gave Elkhorn a 12-7 victory, which spoiled Waverly's chances for an undefeated season. 1974 saw Waverly gridgers enjoy their first winning season in six years and made them the most successful team since 1966. The Vikings, who won seven games, tied with Crete and Norris, and lost to Elkhorn, finished with a 7-1-2 record.

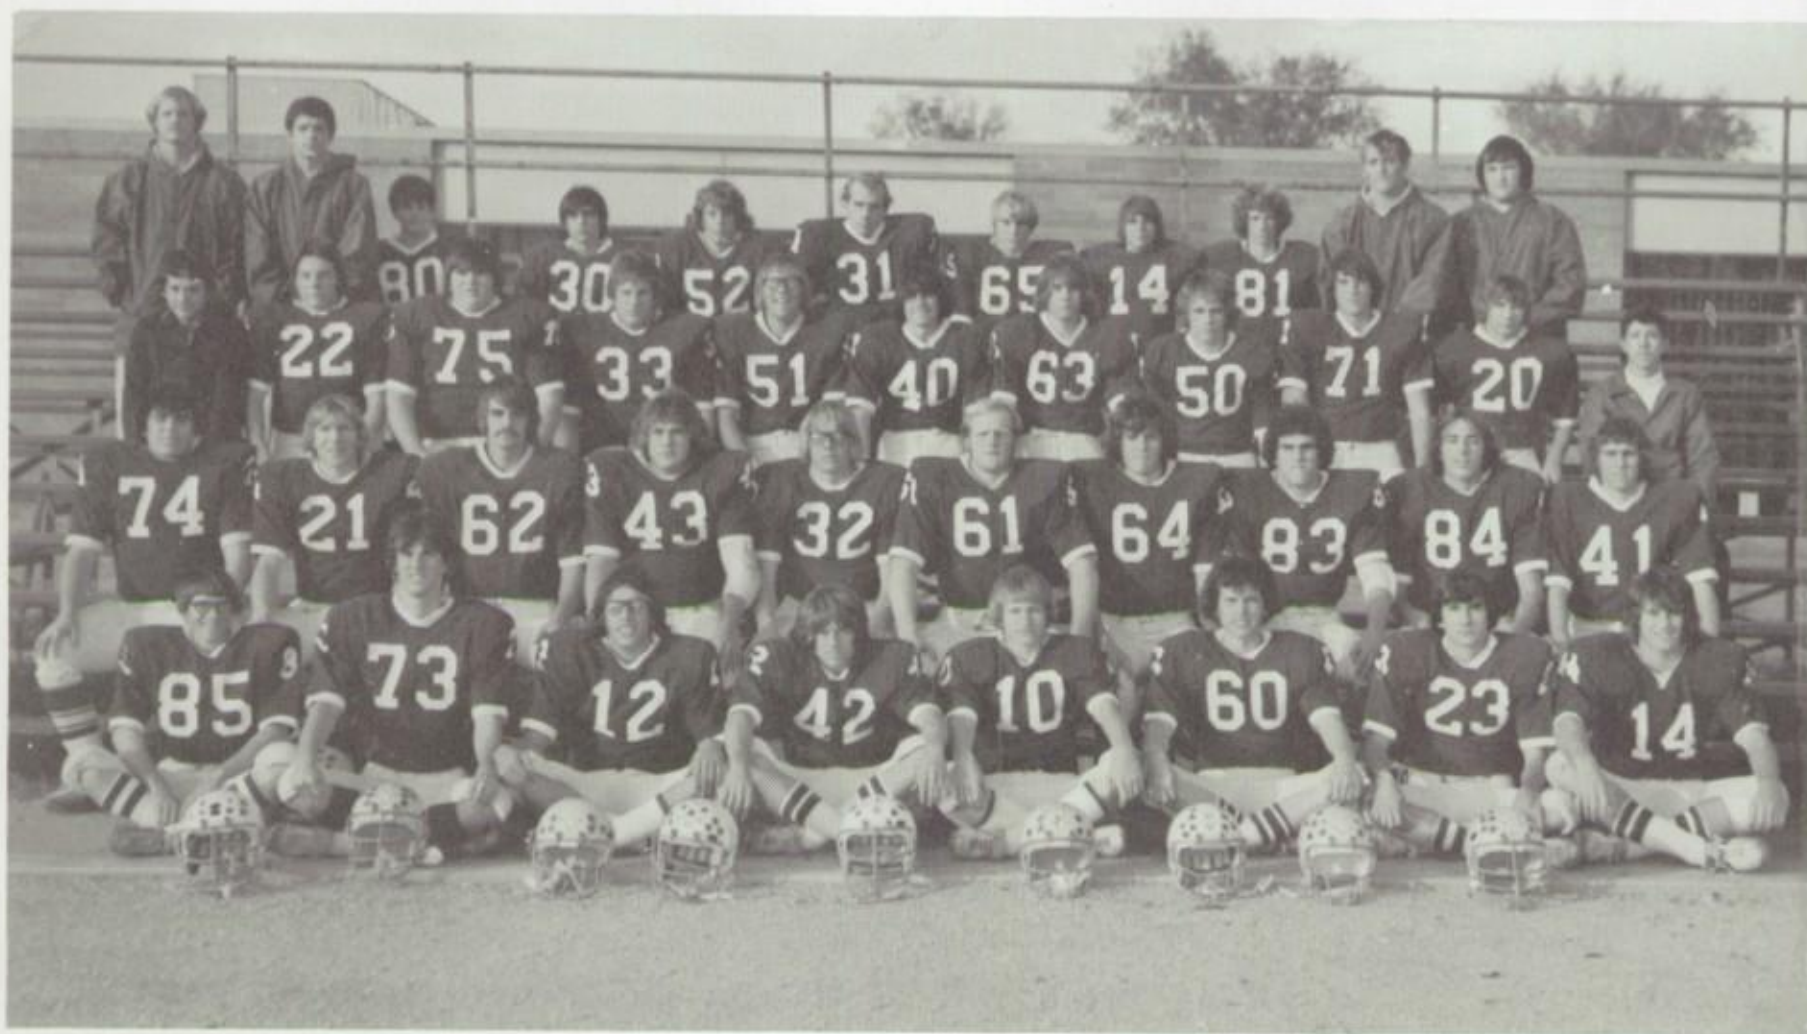

Waverly placed seven players on the all-conference team, and four received honorable mention honors. Those 11 receiving conference honors were: Jeff Campbell, Rex Kage, Garry Schulz, Jeff Stewart, Ed VandeHoef, Myron Liebel, and Rod Wismer. Receiving honorable mention were: Mike Bauer, Scott Cook, Max Poppen, and Mark Winter. Rex Kage and Ed VandeHoef also received All-

State honorable mention awards.

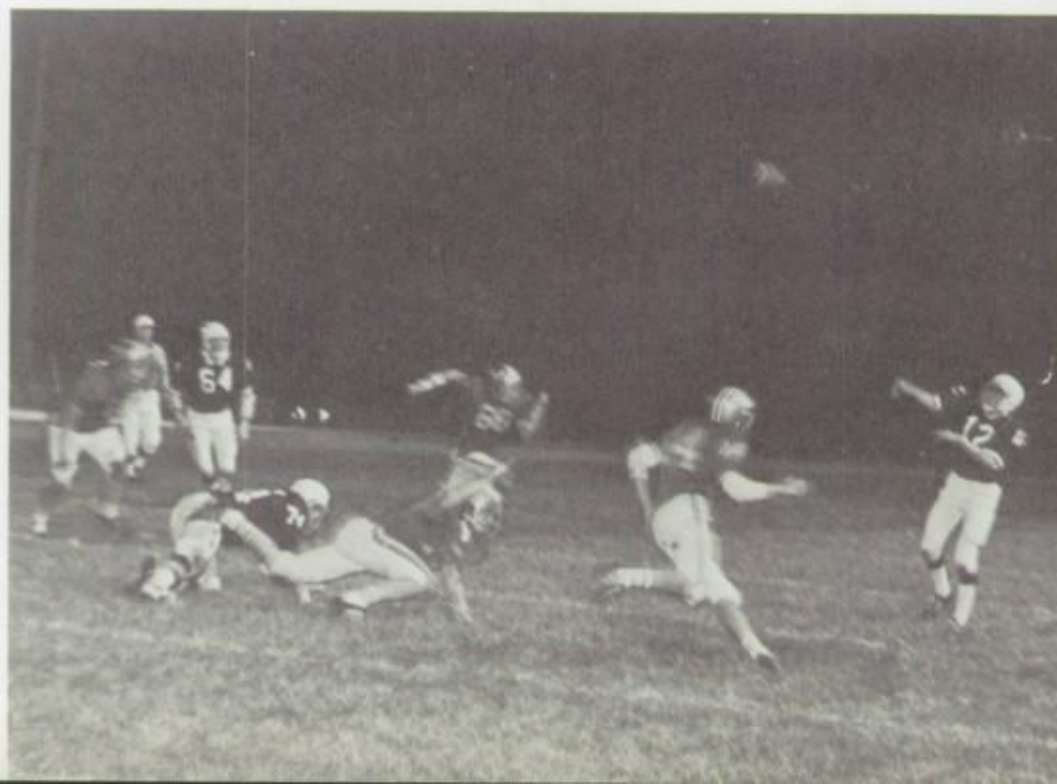

Head coach Randy Hash, added summer workouts for the team, held a special training session one week before practice was to start, and he also had pre-game meals prepared by the parents before every game. These things were felt to have brought the team closer together making them realize and think more about why they were out for football.

Contributing to the success of the team were defensive coordinator Rick Roffers and line coach Lon Hoppel.

Underclassmen will prepare for their next season by having workouts consisting of weight-lifting and agility drills. This blood and sweat should make Waverly tough again next year.

The reserves, coached by Mrs. Joyce Hansen also had an outstanding season, ending the year with an 8-0 record. "The student body really supported the volleyball team this year. Inexperience, injuries plague Vike grapplers

Waverly wrestlers started the season in fine shape by winning their first dual match against Syracuse. They then started to have their problems, losing the rest of their duals. Not all of their season was a loss as many individuals posted good records. "The loss of personnel in the upper weight classes and inexperienced wrestlers made for a hectic season," commented Coach Roffers. "The experience gained by our young personnel this year should provide the backbone for a turnaround season next year, with an even brighter outlook for the year to follow," added Roffers. Individual efforts that deserve recognition are Dave Manske with 18-4, Rob Schweitzer 20-4, Dan Kadavy 12-8 and Brian Hohman 7-9-1. Dan and Brian finished well enough in Districts to qualify for a chance at the State tournament.

Pride, discipline, unity key to Viking success

Basketball has traditionally been the strongest boys' team sport at Waverly. The "75" ball team brought the tradition back. They finished a disappointing second at the conference tourney, but bounced back to defeat Ashland, Wahoo, and Arlington to win districts and give them a berth in the state tournament. Although the Vikings lost their first game in the state tournament they did prove that they had the three keys of champions: pride, discipline, and unity. Leading the Vikings were seniors: Ed VandeHoef (leading scorer), Tarryl Bockelman (leading rebounder), Garry Schulz, Joe Waite. Juniors: Myron Liebel, Rod Wismer, and Mark Winter.

Team's determination carries to state meet

Contributing to the overall success of the Waverly athletic program was the cross-country team. With only five men out for the sport (which is the minimum) Viking harriers qualified for the State cross-country meet at Kearney. "Total dedication during meets and at practice from our men is what held us together and brought us success," commented first year coach Scott Johnson.

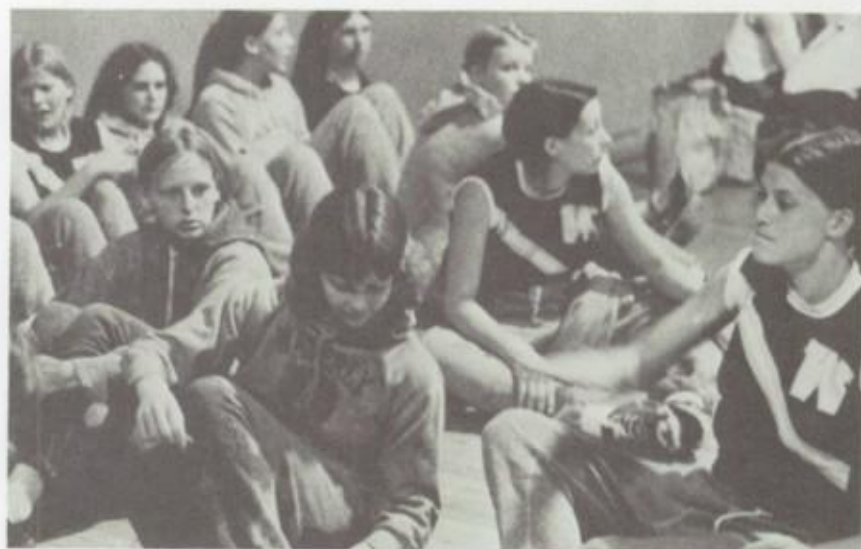

The Vikings were led by senior standout Gordon Rolofson. Rolofson was top Waverly finisher in all meets and also finished second in the district meet. Joining Rolofson were Gerald Retzlaff, a senior, Ed Wilkason, junior, Phil Ruschetti, a sophomore, and Glen Rolofson, a freshman.

Three records broken by underclassmen

Girls track got off to a slow start, but finished strong with girls finishing 2nd at the district meet. The District meet had four girls qualifying for the State Track Meet in North Platte. Those qualifying were: Lynn Fagan—high jump, Rhonda Seymour—880 yard run, Debbie Erickson—low hurdles, and Viv Sailors—220 yard dash. Lynn Fagan broke her own record 2 times this year with a jump of 5'11" to finish first place. Rhonda Seymour also broke a record. She ran a 2:29.5 in the 880 run.

Three Vikes advance for State Track meet

The 1975 Viking track squad accomplished many things this year. This was a year when many records were broken, Mark Winter broke the shot put record with a throw of 52' 6½ feet. Jeff Stewart broke the discus record with a 143'6 throw. Ed Wilkenson ran the 2-mile in 10:34.4 to break the old record held by Mike West. Denny Buffum, Dan Scully, Kevin Neth, and Jon Richards also broke the mile relay record. Dan Scully tied the 220 yard dash record. Mark Winter, Ed VandeHoef, and Jeff Stewart all qualified for the state meet in Omaha where Mark received a third place medal in the shot put. "We were very pleased with the performances of our weight man, and of many young athletes this year," commented coach Johnson. "We plan to come back next year and break many more records," he added.

Clockwise from bottom: Ed Wilkason paces himself in the 2 mile run. Glen Rolofson lines up for the 880. Dan Scully takes first after the 100 yard dash. Doug Tvrdy leaps for the pit as he finishes fourth at districts.

Golf team starts slow but excels at end

"The Waverly golfers got off to a slow start at the beginning of the year," commented head golf coach Bill Gannon, "but came along pretty well at the end." We beat many teams at the conference tournament that had beaten us earlier in the season. The Viking golf team will have six returning lettermen, Mark Bachenberg, Randy Feerhusen, Kevin Baker, Terry Kreifels, Scott Steffen, and Rick Erickson.

Clockwise Mark Bachenberg tees off at the ninth hole. Varsity and reserve golf team, bottom row: Mark Bachenberg, Terry Kreifels, Scott Steffen, Jay Bachenberg, Rick Erickson, and Randy Feerhusen. Top row: Kevin Baker, Jim Richards, Brad Minchow and Jeff Olson composed the golf team for 1975.

Waverly's band competes internationally

Winnipeg, Canada was the climax of the 1974 season for Waverly's Varsity Band. Members became internationally recognized as an outstanding band. In Canada, Waverly received the top award for parade marching.

The Viking band attended two contests early in the year at Nebraska City and Plattsmouth, and received excellent ratings in both. These two contests were in preparation for the climax of the marching season, with the annual state marching contest at Pershing. With a deep rooted determination to receive a superior rating at state contest, Waverly acted upon their goals. Students put in a total of over twenty hours of practice and drills before school. Practice started at 6:15 a. m. for Waverly on October 26 at the auditorium and a superior rating was achieved in the late afternoon. There, band members earned their way to Scottsbluff where they participated in the annual state music clinic. They were: Kevin Wissink on trumpet, Louise Hammond on bass clarinet, and Janece Bevans on flute. Participants went through individual tryouts at East high in Lincoln, two or three months ahead of the music clinic date. Students were judged on their ability to play memorized scales, and sheet music that were set down by the judges committee.

This was the first active year for the newly adopted stage band. Accomplishments for the stage band were, they participated in all local contests and concerts of the concert band. Other activities included the soup supper, winter concert, conference band clinic, which was held at Waverly, local contest, district contest and spring concert.

One of the many performances of the marching band were at home football games. Kevin Wissink and Cheryl Puchalla accompany each other at the Winter Concert. At Mr. Maags birthday party, members were treated.

Eighteen enthusiasts spark school spirit

Eighteen cheerleaders represented the classes of sophomores, juniors, and seniors. The purposes of the cheerleaders are to be good representatives of the school and to encourage good sportsmanship and appropriate behavior.

During the summer, the District Championship Award was received by the Varsity Cheerleading Squad. Judging was based on yelling, enthusiasm, and overall uniformity. A superior rating was accumulated from the three squads and from this a "Spirit Stick" was awarded for outstanding performance in all areas of cheerleading. The competition was held June 3 through 7 at Nebraska Wesleyan in Lincoln. Head cheerleader Lorie Callaway said that "a cheerleader is to promote spirit, sportsmanship and keep it going between, not only the Pep Club, but also between team and the crowd."

'Jump and Jive, Man Alive, We're the Class of '75,' and 'Seniors Are Great, the Greatest Alive, Yeah Rah '75.' These two class yells were heard throughout the year by outgoing senior girls. Nineteen seniors, twenty-three juniors, and twenty-nine sophomore pledges made up the Varsity Pep Club Squad. The clubs purpose was to support and increase school athletics and promote school spirit.

This was the first active year for the newly adopted rating system. Here the girls were voted on by other members in their class on enthusiasm, determination, sportsmanship, attendance, and how they participated in the activities. A percentage of those handing in resumes from each class were accepted. Officers were: Diane Oehlerking, President; Elaine Herter, Vice-President; Jolene Lowell, Secretary; and Kris Rogers, Treasurer. Annual planned activities were: fund raising projects, Homecoming, Spirit Week during the week of January 20-24, cheerleading tryouts, and the party in the spring. The Pep Club was selected as the group to be photographed for the Easter Seals publicity flyers and in connection with this, they participated in Easter Seals Blanket Toss which was held at the half-time of a basketball game.

Newly adopted rodeo club broadens view

Waverly High School was fortunate enough to be one of the few high schools in the Eastern part of the state to have a rodeo club. In its first year the new club set its goals for just getting set up and letting a few club members enter in some of the 25 state sponsored high school rodeo meets. The 12 members kept themselves busy practicing after school and during mini-courses. If a student placed in one of the 25 meets they qualified for national competition, and also had the chance for college scholarships. Some of the events in the competition included bull riding, calf roping, steer wrestling, and girls goat roping. President is Susan Turner and Vice-President, Randy Bauer.

Council aims to develop positive qualities

Developing character and other positive personal qualities among young people, and to contribute to the total educational growth of students is the purpose behind the 1975 Waverly Student and class councils.

The council started off the year with a back to school dance, they sponsored other dances and noon hour films.

The council worked with the faculty to organize a student evaluation of teachers. Funds were also raised to help the A.F.S. program, and the exchange student that attends Waverly is an honorary member of the Student Council.

The council serviced the student pop machine that is located in the front entrance and received profit from it. Council members also read the daily announcements over the public address system during third period.

Sponsors for the student council were, Mrs. Jeanette Slusher and Mr. Verl Flack. Class council sponsors were for sophomores, Mr. Bill Gannon and Mr. Ron Seymour. Junior sponsors were Mr. Charles Eastham and Mrs. Marjorie Fritz. Senior sponsor was Mr. Robert Morris.

Media assistants maintain school library

The Waverly Media Assistants Club was headed by President: Louise Hammond; Vice-President: Cheri Sundeen; Secretary: Debbie Glocker; and Treasurer: Jolene Lowell. The club's goal was to create an interest in good literature and to provide a uniform system for lending books and magazines to the students. They maintained the school's audio visual equipment and assisted teachers and other students in the use of their materials. Planned activities were: work day in December when the library was cleaned and decorated for Christmas, selling in the concession stand during a basketball game, and also attending state and district conventions. The Library Club consists of ninety members and is sponsored by Mrs. Bonnaly Salomons. Members are required to work in the library before, during and after school for points. Money that the club members earn goes towards new material and books for use in the library.

When the junior high students moved out of the high school, the library expanded into an additional room creating more space for students to study and read in.

German Club promotes German tradition

Creating an interest in the German culture is the purpose behind the Waverly high German Club. The group had many projects including a Christmas caroling party where they sang German carols to the residents of Waverly.

The members and their sponsor, Miss Mary Gangwish, used the selling of stationery as a money-making project.

Other activities included a traditional Fasching party that was held prior to Lent. The members dressed in costumes and feasted on German foods to celebrate this German holiday. They also held a picnic at the end of the year.

The club officers were: President, Barb Waddle; Vice-President, Cheryl Nelson; Secretary, Laurie Johnson; Treasurer, Doug Foulk; and Historian, Dan Mehser. Total membership was 44. Some money raised was donated to the AFS chapter and some was put into a fund used to send a club member to German camp in the summer.

AFS students learn by studying abroad

The Waverly American Field Service program was sponsored by Miss Mary Gangwish and Mr. Lon Hoppel. The purpose of this program was to promote the exchange student program and to get students interested in traveling and learning abroad.

Ben Vazquez, our exchange student from Cureitiba, Brazil (the capital of Parana), stayed with the family of Mr. and Mrs. Robert Maag.

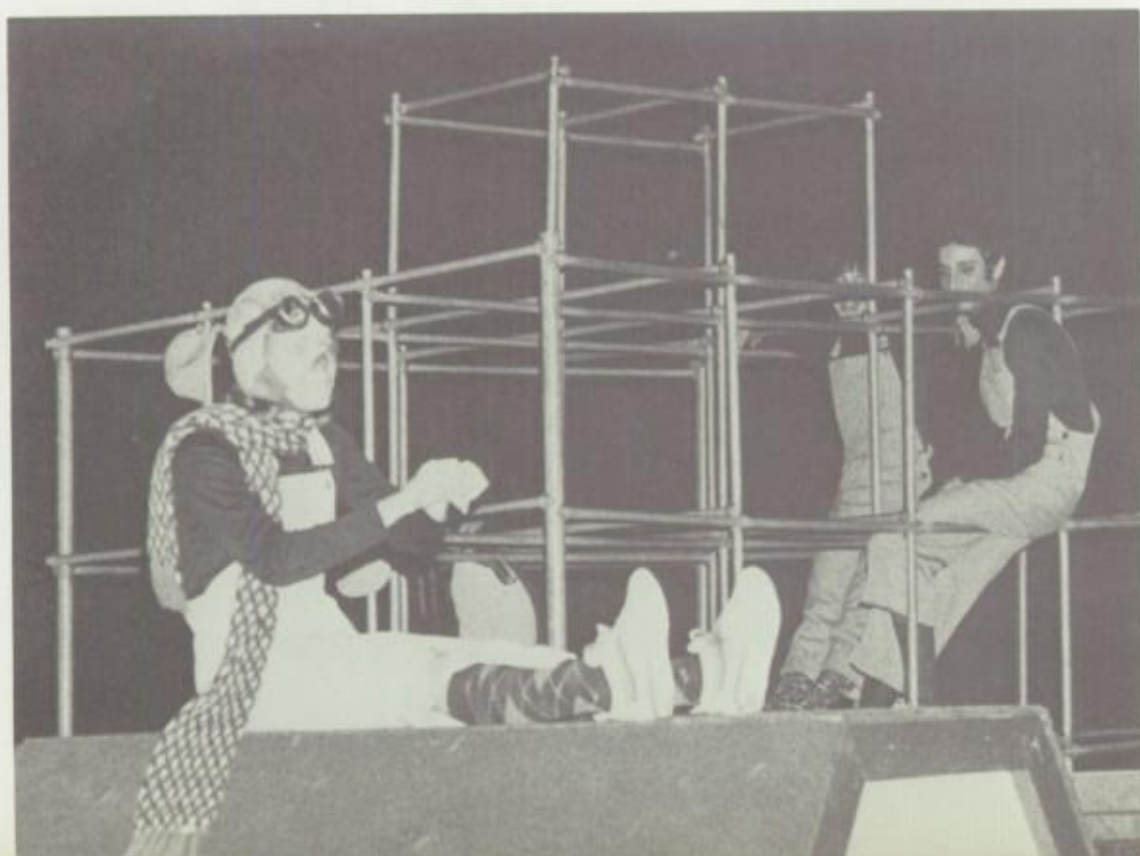

On International day, Waverly was visited by eight other exchange students from the Lincoln area schools. The following evening there was a carnival and slave auction to raise funds for the AFS Chapter.

Dave Manske was sent abroad over the summer to live in and study a foreign country.

Clockwise from above: Ben Vazquez and Doug Foulk attempted to place a phone call during a break at model United Nations. Science, math club attracts 45 members

Goals of the Science and Math Club were to stimulate interests in the fields on science and math. Meetings were conducted in semi-formal to formal atmosphere. Different skilled games were put into action by members, a meeting for those with make-up projects from the science and math fair and other activities made up the meetings.

Each year the club holds the science and math fair where students bring in experiments that they have worked on throughout the year. This year the fair was held on March seventh. Students entered in one of three areas, Computers and Math, Physical Science and Life Science.

Awards went to Peggy Clews winning first place in Life Science, Cheryl Nielsen and Geri Krieser placing second and third. Top three awards went to Steve Kell, Robbie Zimmer and Dan Kadavy in Physical Science. Louise Hammond and Suzanne Tyrrell came in first and second in Computers and Math. Officers were president, Cheryl Nielsen; vice president, Steve Kell; and secretary-treasurer, Louise Hammond.

Other activities were a field trip to E-Week at the University of Nebraska—Lincoln where Steve Kell was exhibiting his science project. A group of club members went on a canoe trip in northwest Nebraska after school was out in May and spent a weekend canoeing and camping on the shores of the Niabrara River.

FFA activities bring rewarding year

The Waverly FFA started the 1974 year with State Convention at Lincoln in April. In July, Waverly held their annual local Tractor Driving contest and help set up the Waverly Youth Fair in August. During the year FFA members could participate in assorted contest groups, which varied from: Range, Crops, Meats, Hog Shows, Livestock, and Farm Machinery. The chapter sold over 3,500 dollars worth of magazines and rang bells for the Salvation Army again this year. Moline, Illinois was the destination of the Vocational Agriculture classes to tour the International Tractor and Combine plants. The chapter also set up the Easter Farm at Gateway. Waverly Chapter did well in the State FFA Convention by having four State Farmers: Bill Bevans, Terry Caddy, Marlan Johnson, and Roger Maahs. Marlan Johnson was also the Southeast Area Star Farmer. Officers were: President, Marlan Johnson; Vice-President, Bill Bevans; Secretary, Terry Caddy; Sentinel, Scott Lorensen; Reporter, Dan Petersen; Treasurer, Jory Ford; and Parliamentarian, Doug Tvrdy.

Yesterday and today, experience for all

Yesterday, Today and Tomorrow was the theme of the 1975 Swing Show presented by the Waverly Concert Choir. Colorful backdrops with sayings such as "Today is mine," and "Life is tomorrow, turning today into yesterday" were used for scenery. The Waverly Concert Choir consists of 61 high school students.

Waverly had ten choir members selected to attend the Honor Choir at Scottsbluff, Nebr. Those selected to go were: Tenors-Doug Bundy, Ken Gleaves, Tim Olson, and Ben Vazquez; Altos-Latha Coleman, Lorie Callaway, Jann Carlson; and Sopranos-Cheri Sundeen, Joan Bevans and Joyce Taylor. There were three alternates: Tenor-Mark Bachenberg; Bass-Loren Nansel and Alto-Ellen Miller. Art club separates and forms two clubs

The Art Club broke up its junior-senior high membership and formed two separate clubs because the junior high moved into the old elementary building.

The two clubs work independent from each other, planning separate projects. But they combined talents for the art shows.

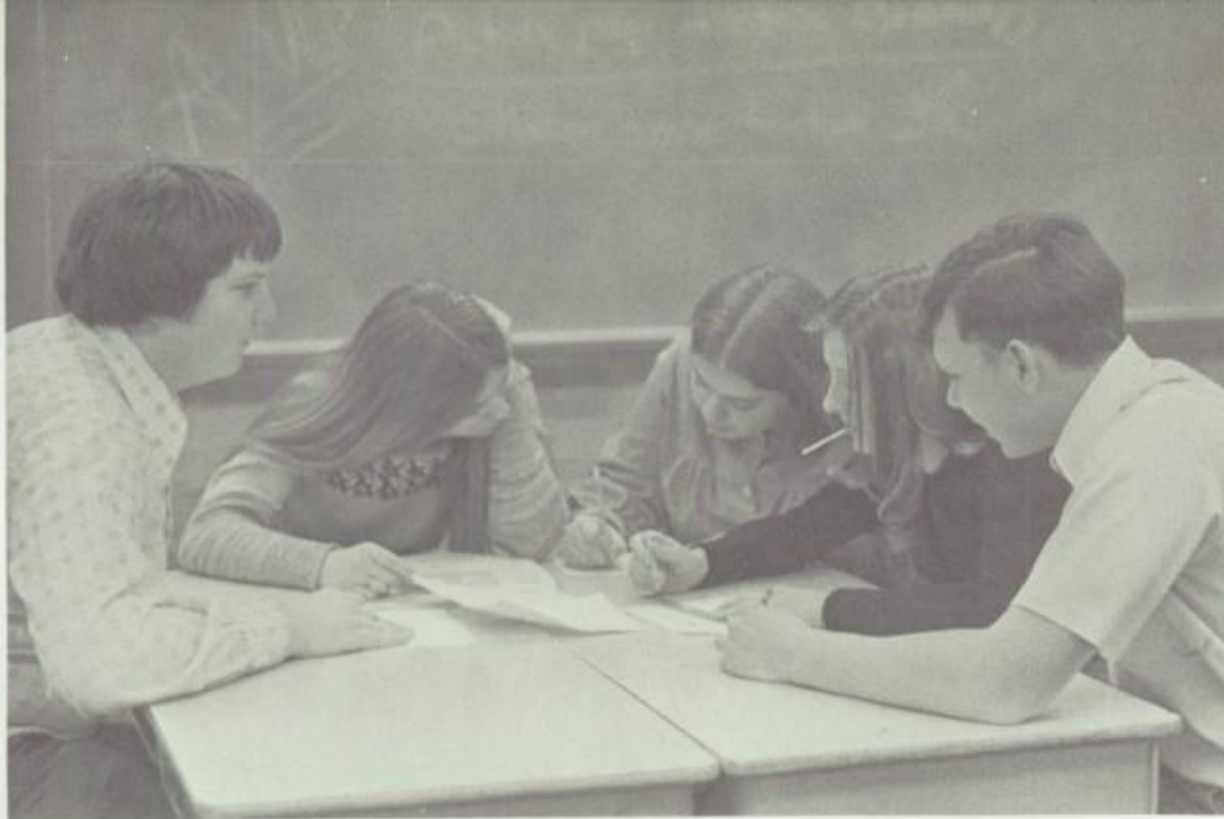

To be a member in Art Club a person must have been currently enrolled in a art course. Club members took part in hanging the local art shows, assisted in judging and taking down the shows.

The fall local show was held December 16, the scholastic show was February, the Woman's Club show had one top award winner for each grade. Capital Conference was held at Gateway Auditorium. The spring show was May 12.

Hi-Spot awarded top state honors in '74

The Hi-Spot was awarded the honor of being the best Class B high school newspaper for 1974. The Nebraska High School Press Association bestowed the honors to Waverly and other winning schools at the annual High School Press Association Convention held October 22 at the University of Nebraska.

Waverly placed second in the Class B Sweepstakes contest at the Nebraska Journalism Championships for 1975. Helping to gain points for Waverly were Debbie Erickson and Dan Mehser; Debbie took first and second for yearbook layout, while Dan placed first in editorial cartoons and second for feature writing for Hi-Spot. The Hi-Spot was published bi-weekly under the management of Karla Hohman, editor, and Lorraine Dolezal, managing editor. The course is designed as an upper level journalism class. The class works in researching and writing the news and feature stories.

Rondy Mangel, Erin Dodge, and Lori Dinges work together on the activities section of the '75 Yearbook. At the beginning of the year, as new Viking staff members, they handed out the 73-74 edition of the yearbook.

Viking staff photographers were, starting at the left, Bill Bevens, Gary Stall, Ken Torres, Dave Dietze and Dan Hill.

Unity and hardwork gives Viking results

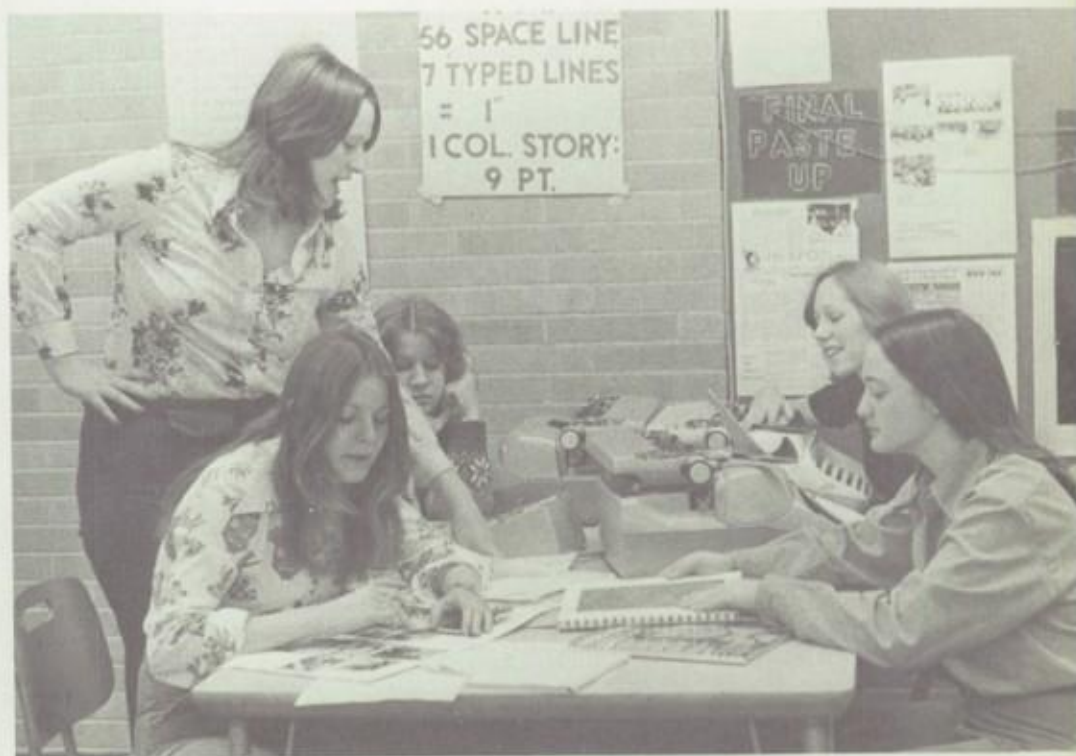

Viking class is held as an upper level journalism course, where selected students create a lasting record of the year's events. The staff of 20 members worked sometimes in the evening and on weekends to make sure that the deadlines were met.

The staff is broken down into smaller groups of two or three persons to work on the different sections. They were assigned sections at the beginning of the year.

Working on the yearbook can be fun, but it is not a game, as deadlines with the printer must be met. The staff has an obligation to meet these deadlines as part of the grading depends on how well each person completes their section.

The theme "Take Time" was selected at the beginning of the year by the staff and is tied in throughout the book.

Staff members of the 74-75 Viking were chosen the previous year by Mrs. Patricia Schock. One of the requirements to be on staff is journalism I.

Sue McGill, Lorie Callaway, Mark Bachenberg, Marlan Johnson, and Barb Waddle make up the ad staff and student section. Organizations staff was composed of Dan Mehser and Debbie Erickson. Sports staff was Gary Stall and Max Poppen. Jackie Lowell, Cheryl Rudolph, editor LeEtta Neujahr, Linda Johnson, Karen Mortensen, confer on the annual.

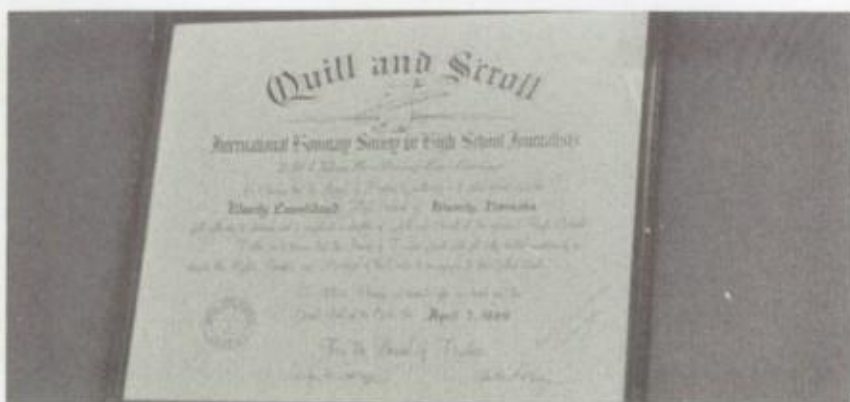

Quill and Scroll Society reactivates club

Quill and Scroll is the International Honorary Society for high school journalists. Its purpose is to encourage and reward individual student achievement in journalism and school publications.

Waverly's Bess Streeter Aldrich Chapter was reactivated as student interest in Quill and Scroll increased.

Members were chosen from those juniors and seniors who were in the top third of their class and had done superior work in some phase of journalism in school production.

The outstanding journalist award given by Quill and Scroll went to Dan Mehser for his work on Hi-Spot and Viking.

National Honor Society high in leadership

The greatest honor for many Waverly students is to be chosen as a member of the National Honor Society. This select group is chosen on a basis of leadership, scholarship, character, and service. All juniors and seniors with an average of 90% or above are eligible for membership. Sophomores are also eligible for membership if they have an average of 90% or more. To earn a letter in scholastics a student must maintain a three-semester average of at least 90%.

The club sponsored the first annual Honors Convocation, where students were honored for their abilities in everything offered at Waverly other than Athletics. Tapping of new members into Honor Society concluded the evening. National Honor Society officers were: Sandy Savage, President; Laurie Johnson, Vice-President; Mary Yardley, Secretary; and Terry Kreifels Treasurer.

Activities

Entertainment intensifies brisk excitement

Spirit Week, sponsored by the Pep Club, filled the week of January 20 to 25 with bustle and excitement in preparation for the Cozad and Lexington basketball game.

Each class decorated a hall and prepared a skit in competition with the other classes. The junior hall took first place with it's theme of the "Wonderful World of Spirit" characterized by Walt Disney figures. Incollaboration with their hall's theme, the winning junior skit depicted the characters of Snow White and the seven little Viking dwarves.

Wednesday was a "Vikes will win" day. Two secret spies were chosen from each class and the 50th person to say "Vikes will win" to a spy won \$5.00. The three winners were Cheryl Nielson for the seniors, Lori Hodtwalker for the juniors and Paul Kunz for the sophomores.

The sophomore class won the spirit competition by having the most members of their class attend the two games.

Ending the week, a victory dance, sponsored by the student council, was held after the win over Lexington.

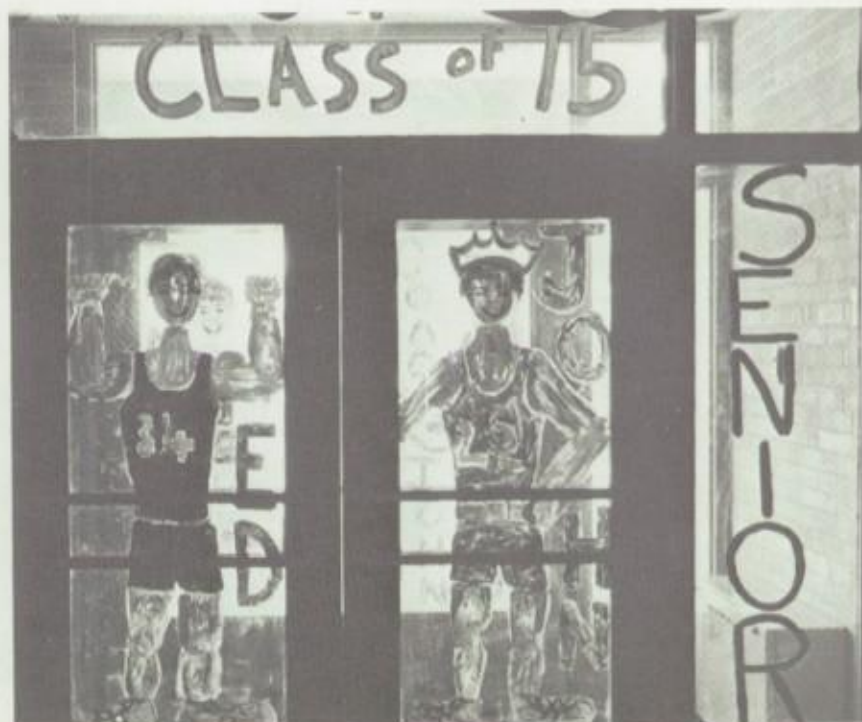

Clockwise from above: Seniors prepare decorations for their hall. The spirit of the juniors is evident in their skits. Lorie Callaway, Dolores Reed and Linda Johnson present the cartoon character, "Hagar the Horrible" to the school. Ribbons and balloons represent the festive spirit of the seniors.

Coronation highlights Homecoming events

King John Hegel and Queen Lorie Callaway were crowned on November 1, 1974 by Randy Mortensen and Sue Mickle, the previous year's royalty. The coronation took place in the Waverly High School gym during the Homecoming dance.

Master and Mistress of ceremonies, Tarryl Bockelman and Debbie Erickson introduced the candidates; Garry Schulz, Rony Mangel, Ed VandeHoef and Diane Oehlerking as the ceremonies began. They were chosen by the student body.

Attendants represented all three classes. They were seniors Joe Waite and Mary Yardley; juniors Myron Liebel and Kris Rogers; and sophomores Todd Aksamit and Nancy Bogle.

The theme was taken from Elton John's song "Seasons" which was performed during the coronation by Ben Vazquez, accompanied by Ellen Miller on the organ.

"Exit" played a variety of music for the dance in a multi-colored gym depicting the four seasons.

Daren Johnson, 5, son of Mr. and Mrs. Charles Danley was crownbearer. Stacy Hash, 5, pep club mascot and daughter of Mr. and Mrs. Randy Hash, was flower girl.

The annual event was sponsored by the pep club. Money was raised by selling Christmas candles and other items. The dance was well attended and enjoyed by a majority of the student body. "I thought that 'Exit' really had it together," said senior Jeff Campbell, "a lot of people were there."

Clockwise from above: "Exit" from Lincoln provided music during the dance. Flower girl Stacy Hash and crownbearer Daren Johnson. Garry Schulz, Rony Mangel, Diane Oehlerking and Ed VandeHoef were candidates.

Imagination boosts dramatic performances

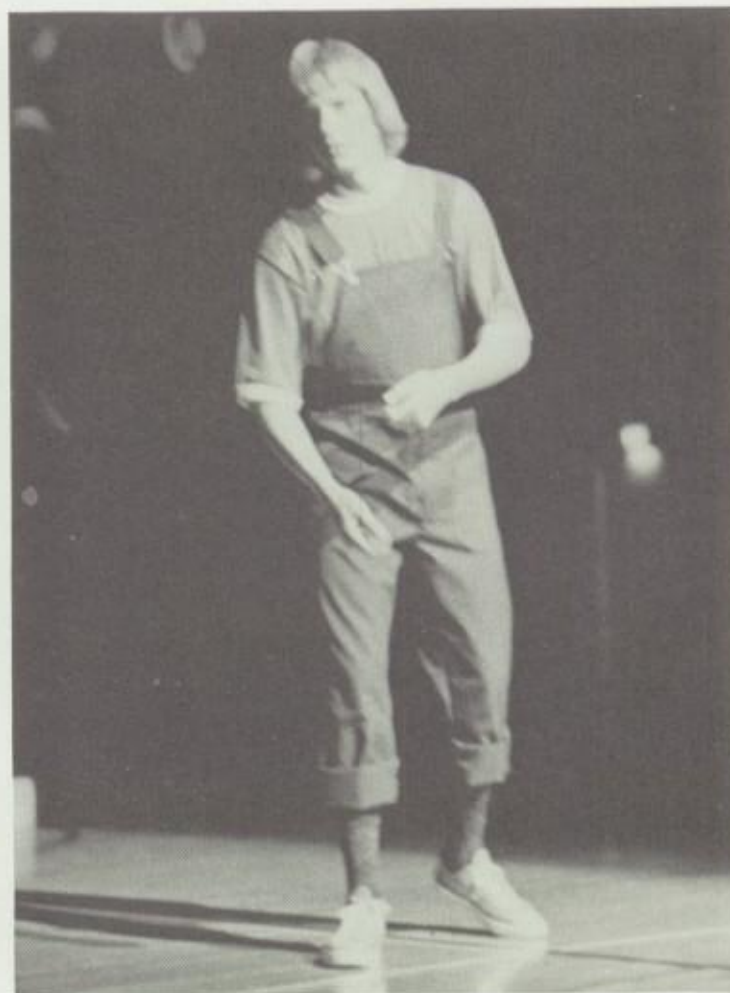

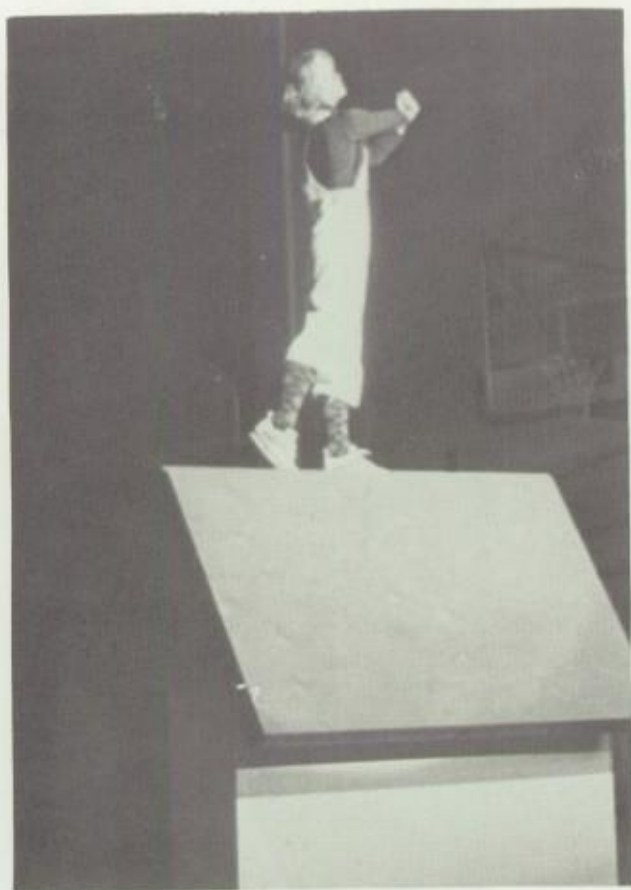

"The Miracle Worker" was the season opener for the Dramatic Arts Department. This production contrasted with the previous years lighthearted comedies.

Principle characters were played by: Bob Meier as Capt. Keller; Ben Vazquez as Dr. Anagnas; Cheri Sundeen as Aunt Ev; Jeff Olson as Percy; and Latha Coleman as Martha.

"You're a Good Man, Charlie Brown" was the spring play created by Charles Schulz. "Peanuts" characters made up this musical comedy. Cast members were: Mark Bachenberg as Charlie Brown; Janece Bevans as Snoopy; Brad Memming as Linus; Joyce Taylor as Lucy; Jeff Olson as Schroeder and Joan Bevans as Patty. Julie Larson, Ben Vazquez, Sandy Savage, and Jill Marshall made up the kids chorus. Ellen Miller and Cheryl Nelson accompanied them on the piano.

Clockwise from left: Mrs. Dru Toebben explains the characters' attitudes at practice. Helen Keller, played by Jill Marshall, struggles to speak her first words, as Anne Sullivan, played by Joyce Taylor, encourages her. Linda Johnson applies Lorie Callaway's makeup for her role as Viney.

Jill Marshall, Julie Larsen and Sandy Savage pantomime the piano keys. Janece Bevens (Snoopy) discusses a happy life, but admits that even a dog faces frustrations. Joan Bevens (Patty) and Brad Memming (Linus) take time out to talk over the day. Mark Bachenberg played the main character, Charlie Brown.

Snowball "An Old-fashioned Love Song"

"Just an Old Fashioned Love Song" was the nostalgic theme that surrounded the FFA-FHA snowball dance, March 1, in the Waverly High School gym. Punch and cake was served as refreshments throughout the evening by members and their parents.

The coronation was at 9:00. Voted sweetheart by the FFA was LeEtta Neujahr and the king, Bill Bevens was voted on by the FHA. Other candidates were Mary Yardley, Marlan Johnson, Terry Caddy, and Debbie Erickson. Mistress and Master of Ceremonies was Jolene Lowell and Jory Ford crowned the royalty.

"Ambrose", the combo from Omaha, provided a variety of music during the dance. Decorations were made by a FHA committee, headed by Linda Johnson and Pat Pageler. Heads of the refreshment committee were Joyce Taylor and Jann Carlson. Crown and tickets were taken care of by Jackie Lowell and Deanna Burcham. Debbie Erickson and Janene Copple made the invitations.

Classroom activities enrich daily routine

Enthusiasm improved and third quarter boredom was relieved; mini-courses were appreciated by students and faculty alike. Students were given a chance to learn something new or just enjoy recreational activities for two weeks in March.

This second year program retained popular courses from the previous year such as table tennis, pottery, model rocketry, arcade recreation, weight lifting and bowling. After selecting courses that the teachers had some background in, the students were polled on their individual preferences. Many additional courses were created such as string art, swimming and gymnastics, rodeo, tennis, dip and drape dollmaking, beginning photography and ham radio.

Clockwise from left: Bill Large takes advantage of the mini-courses to work out in the weight room. Quilling proved popular among junior and senior girls. Playing badminton proves to be both exciting and tiring.

Swimming and gymnastics attracted many students as different school time activity. Marva Howe, Pam Boettner and Patti Boettner play a game of Yahtzee. Jim Oldfield competes against other students in ping pong.

Classes mingle at student council dances

"Dusty Blue" set the mood for the first student council sponsored dance of the year. The group played a variety of songs Saturday evening, September 14.

A new style of dance music was introduced at the second of the two student council sponsored dances. "Thrush", a group of Waverly high school students, pretended to play different songs using tapes they had prepared beforehand. The group consisted of: Max Poppen, producer; Tarryl Bockelman, bass guitar; Gary Stall, keyboard; John Hegel, lead guitar; Bill Large, guitar; and Jeff Campbell, drums.

The dance was held after the basketball game with Lexington on Sat., Jan. 25. Although the dance was supposed to last till 12 p. m., it ended early due to technical difficulties caused by an equipment breakdown.

The student council decided in the spring to have no more dances this year due to a lack of interest and time.

Recognition rewards aptitude of students

Scholastic and activity awards were joined together in the annual Honor's Convocation to bring more recognition to individual accomplishments.

The welcome was given by the Honor Society president, Sandy Savage. The presentation of awards followed. Those receiving outstanding recognition were: speech and drama, Brad Memming and Cheri Sundeen; senior journalist, Dan Mehser; Student Council member, Ellen Miller; Pep Club members, senior Diane Oehlerking, junior Julie Hill and sophomore Julie Larsen. Pat Aylward received artist of the year. German club honor students were: first year, Janene Brown and second year, Elaine Herter. Library special service awards went to Barb Hegarty and Jolene Lowell.

May 6, 1975, marked the first time an Activities-Honor convocation was held. In previous years activities had been together with the athletic awards, but were separated to give more recognition to students.

Outstanding athletic accomplishments were honored at the annual athletic banquet, May 13. The meal was organized by a group of mothers while the program and setting up was taken care of by the Waverly Commercial Club. Due to the large number of participants a "pot luck" dinner was prepared.

After the dinner, each head coach announced their squad's lettermen, special recognition and honors. Two new special awards were initiated this year. Karen Mortensen was selected as the first girl athlete of the year while Ed VandeHoef was chosen as the boy athlete of the year. Also new this year was a Three D award for a senior boy and girl who have participated in sports during every season for three years. Winners were Karen Mortensen and Ed VandeHoef.

The guest speaker was Tom Osborne, the head football coach at the University of Nebraska. He spoke about the obligations each athlete has to himself and to society.

Rain showers engulf Junior-Senior prom

The traditional Junior-Senior prom was besieged with problems, lack of funds to stormy weather. Finally on May 2, the dance became a reality at the Elks Club in Lincoln.

The junior class was in charge of preparations for the banquet, decorating the room with a red and white wishing well. The theme, chosen by the juniors was "We may never pass this way again". Mrs. Margie Fritz and Mr. Charles Eastham were the junior class sponsors.

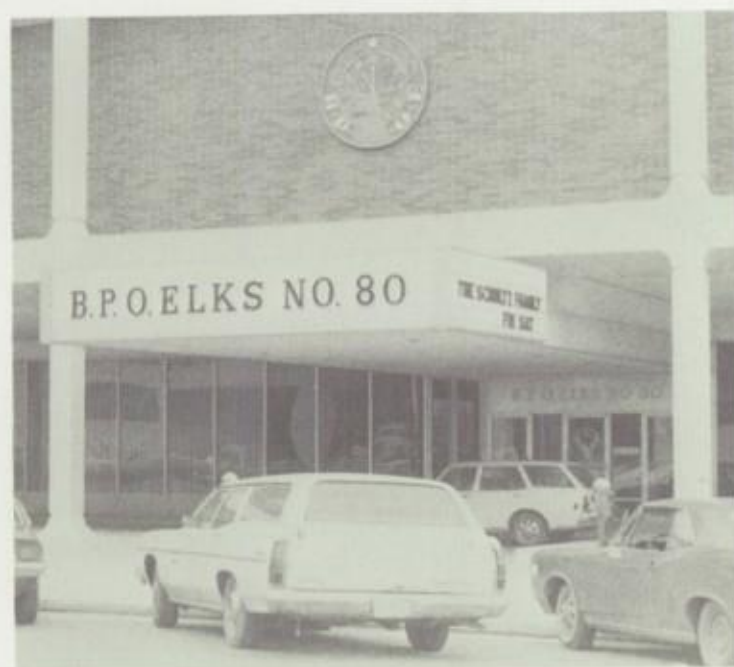

The band "Steele Avenue" from Lincoln, was chosen and paid for by the senior class. Mr. Robert Morris and Mr. Persijs "Rick" Kolberg were the senior class sponsors.

The banquet began at 6:30 with the dance following at 9:00. Ron McGill began the banquet with the prayer. Shelley Hatfield gave the welcome and Diane Oehlerking followed with the response. The song, "Hands of Time" sung by Joyce Taylor carried the theme into banquet.

"FreeFare" first in a varied schedule

Ranging from rock and roll to a frank discussion on our constitutional rights, the 74-75 assembly schedule for Waverly High opened the year with a concert by "FreeFare".

The next assembly was the annual AFS-Junior Achievement program. Sherri Minchow showed slides from her trip to Germany and Ben Vazquez talked about his home in Brazil. For the Junior Achievement (JA) segment of the program, Tim Coffee talked to the student body about the advantages of joining JA, such as it gives students the opportunity to operate and learn about a small business.

To celebrate their third straight state championship, an assembly was given for the Volleyball team.

A Christmas program, featuring Mr. Eastham as Santa Claus, was presented to the student body by the Student Council.

Clockwise from above: Bob Meier as the "perfect" volleyball player presented a skit at the assembly for the Volleyball team. Anticipation heightens senior expectations

The atmosphere was thick with anticipation and memories as the 1975 senior class prepared for commencement exercises on May 19. As Mrs. Norman Sundeen and Mrs. John Voss played the processional, the 102 seniors, dressed in the class colors, princess blue and royal blue, marched onto the stage.

"Our limitations are only in the minds of others," the class motto, seemed to convey the general attitude of the entire class as they thought about the future.

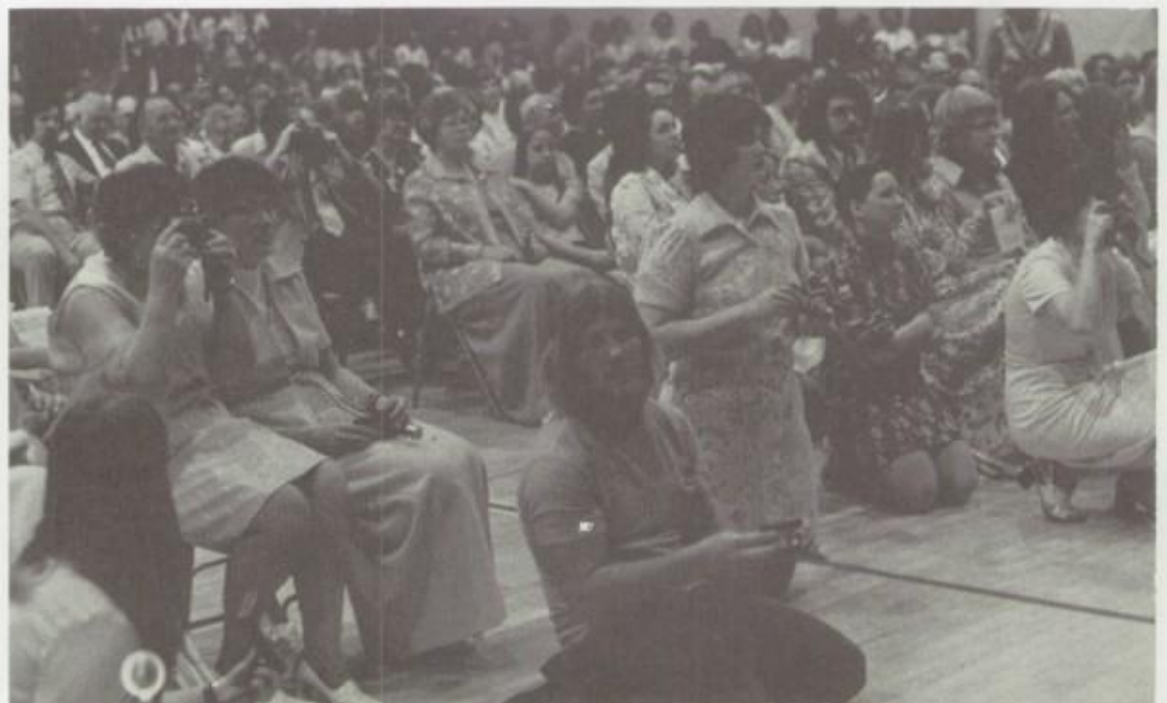

The Valedictory address was given by Barb Hegarty and Jolene Lowell gave the salutatory address.

Roger Rohlf, high school principal, announced the scholarships and awards won by deserving seniors.

Presenting diplomas and congratulating the graduates, Dale Siefkes, superintendent of schools and Wayne Nielsen, President of the Board of Education, climaxed the evening.

Senior Summaries

LOOKING BACK

A few short years before this day life was but a breath away.

Then it happened . . . everything was bright and beautiful as it is every May. The security of Mother's arms soon disappeared though.

Someone said, one part of life is growing old.

Now it's school, teachers, and other kids.

It's finding out to do what you thought you did.

Sure was fun, this age.

Someone said, this was the candy and gum stage.

Now it's on to greener fields to discover riches.

Got to find a way to outsmart the others with high class pitches.

Yes, those were the years.

Someone said, there would be big cars, money, and tears.

Now it's trying to figure out life's charm.

Got to find a way back to Mother's arms.

*Earth's the
right place
for
Love...*

-Robert Frost

WHO AM I ?

I AM YESTERDAY
ALL
MY YESTERDAYS
ALL
THAT I DID
OR DIDN'T DO...

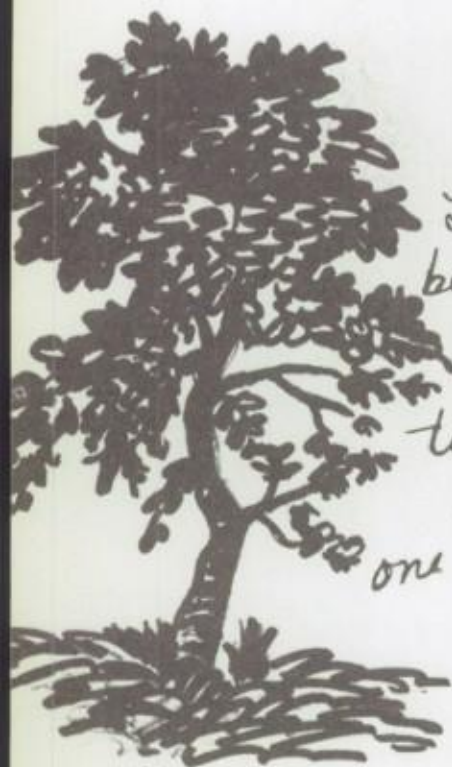

the rainbow is more
beautiful than the pot
at the end of it,
because the rainbow
is now
And the pot never turns out
to be quite
what I expected.

Hope sees
what is not
yet but
will be....
peggy

I'M OK, YOU'RE OK

There may
be more
beautiful
times;
but this
one is ours.
- Sartre

IT WAS A GOOD DAY

TODAY CAN BE ONE OF THE GOOD OLD DAYS YOU'LL MISS TEN YEARS FROM NOW

One must not tie
a ship to a single
anchor,
nor life to a
single hope.

Epictetus

it is the time
you have wasted
for your rose
that makes
your rose
so important
- the little prince

Take time . . .

If I am not totally involved in what's happening — If I am going to just stand in one place — let me at least know what that place is — and why I'm standing here — that I might discover how to change myself, my standing, and my world, that these would be better for my having touched them . . ."

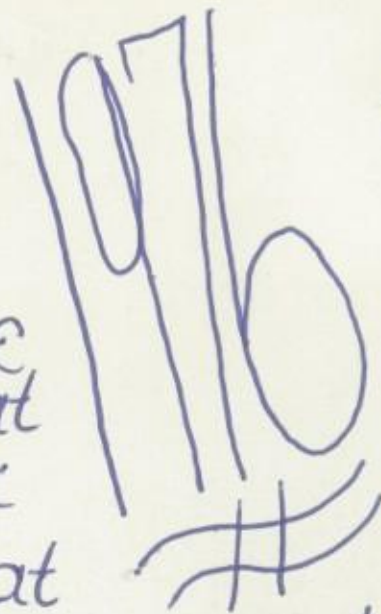

Yes, it does TAKE TIME to complete a yearbook. Every minute of work had its memories. All the credit of this annual goes to the Viking Staff and Mrs. Pat Schock. Let this book be where it begins for you — The Memories of 1975.
